

WAND-REACH

Data Sheet

WAND Reach Accessory

The REACH is an accessory for the WAND-HDC that can extend up to 4.3m / 14.1ft. Simply attach the WAND-REACH to the WAND-HDC so data can be collected from the WAND sensors installed at height and in difficult access locations.

Technical Specifications

Product Code	WAND-REACH-400 v2
Extension Range	1.5m - 4.3m 4.9ft - 14.1ft
Product Dimensions	150cm (L) x 12.8cm (W) x 7.2cm (H) 59.1 inches (L) x 5 inches (W) x 2.8 inches (H)
RFID Reader	EU or US detection of sensor tags
Weight	2.5kg
REACH head adjustments	Swivel 360° rotation Forward/Backward tilt adjustment Clockwise/Anticlockwise adjustment
Certifications	CE, FCC

Included items

- WAND-REACH with 5MHz cartridge
- Body harness with support straps and clips
- Harness plate
- Protective case
