The type of personal information we collect

We may collect personal data from those who visit our website. Some areas of the website offer you newsletters, marketing communications, publications and information about events, or to contact us with enquiries, comments or job applications from which we may also collect personal data.

We may collect and process personal data about you from these channels such as:

- your name, address, email address and other contact details;
- where you subscribe, you email alert preferences; and
- records of your correspondence with us, if you have contacted us, including gender, age and CV's
- When you use the website, we collect certain technical information that is sent by your browser to our website. This includes information, such as your IP address, browser type, operating system, language, time zone setting, access times and any referring website addresses.

How we use the personal information we collect

We may use the information that you have given us in order to:

- Provide you with information that you have requested from us
- Send you marketing material and updates
- Undertake further development of the website

We may share this information with

- Government and regulatory authorities, for example to respond to a legal request or comply with a legal obligation;
- Suppliers of IT services (such as those needed to operate this website)
- In the event that you make an application for employment, we may share your application with suppliers of recruitment services.

Under the General Data Protection Regulation (GDPR), the lawful bases we rely on for processing this information are your consent. You are able to remove your consent at any time by contacting info@inductosense.com

How we store your personal information

Your information is securely stored electronically.

We keep your data as long as it is necessary for the purposes of which it was collected and in accordance with data retention laws. After this period the information is erased or anonymised.

Your data protection rights

Under data protection law, you have rights including:

- **Your right of access** - You have the right to ask us for copies of your personal information.
- **Your right to rectification** - You have the right to ask us to rectify personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.
- **Your right to erasure** - You have the right to ask us to erase your personal information in certain circumstances.
- **Your right to restriction of processing** - You have the right to ask us to restrict the processing of your personal information in certain circumstances.
- **Your right to object to processing** - You have the right to object to the processing of your personal information in certain circumstances.
- **Your right to data portability** - You have the right to ask that we transfer the personal information you gave us to another organisation, or to you, in certain circumstances.

You are not required to pay any charge for exercising your rights. If you make a request, we have one month to respond to you.

Please contact us at info@inductosense.com if you wish to make a request.

How to complain

If you have any concerns about our use of your personal information, you can make a complaint to us at info@inductosense.com

You can also complain to the ICO if you are unhappy with how we have used your data.
